## **Affordable Assisted Living Coalition Unveils Theme for 2024 – “Supportive Living: Inspiring More”**

**January 16, 2024** – Today, The Affordable Assisted Living Coalition (AALC) is excited to announce its theme for 2024 – "Supportive Living: Inspiring More."

"AALC will integrate the theme into every project and initiative throughout the year. We believe it highlights how Supportive Living communities empower seniors and persons with disabilities to reach greater heights in a caring environment while encouraging personal growth and success," said Karin Zosel, Executive Director of the Affordable Assisted Living Coalition.

Throughout 2024, AALC will incorporate the spirit of "Inspiring More." Together, we will create a supportive environment that uplifts individuals, cultivates growth, and inspires positive change for everyone within the Supportive Living Program.

**SUPPORTIVE LIVING**

**INSPIRING  
MORE**
