

FOR IMMEDIATE RELEASE

Supportive Living Communities Showcase Talent in Wii Bowling and Spelling Bee Competitions

Springfield, Illinois, August 15, 2023 — The Affordable Assisted Living Coalition (AALC) is thrilled to announce the return of its highly popular Wii Bowling and Spelling Bee Competitions. These competitions, held as a part of AALC's "Our Time to Thrive" Supportive Living activities, will bring together residents from Supportive Living communities across Illinois to showcase their talents and camaraderie while fostering a sense of healthy competition.

After a hiatus due to the COVID-19 pandemic, these long-awaited competitions mark a triumphant return to in-person gatherings. The residents' participation in the Wii Bowling and Spelling Bee Competitions not only underscores their competitive spirit but also celebrates the joy of reconnecting and engaging face-to-face.

The regional competitions and semifinal competitions are taking place in August and September with the highly anticipated State Finals scheduled for October 26. Hosted in conjunction with AALC's Annual Meeting on October 25-26, 2023, in Springfield, Illinois, the State Finals promise to be a highlight of the event.

The Supportive Living communities participating in the Wii Bowling and Spelling Bee Competitions demonstrate the active and engaged lifestyle that these residents lead. These events not only provide a platform for friendly competition but also promote physical and mental well-being among the residents, contributing to their overall quality of life.

"We are excited to witness the enthusiasm and talent of the residents in these competitions. The Wii Bowling and Spelling Bee Competitions highlight the remarkable abilities and vibrant spirit of our Supportive Living residents. These events are a testament to the sense of community and the sense of purpose that our communities foster," said Karin Zosel, Executive Director of AALC.
